

## **RRR Whistleblower Protection Policy**

**Adopted: 3/04/2015**

### Introduction

RRR requires officers, event directors, members acting on behalf of RRR, and volunteers to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the organization, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

### Reporting Responsibility

It is the responsibility of all officers, event directors, members acting on behalf of RRR, and volunteers to comply with RRR policies and to report violations or suspected violations of the law in accordance with this policy.

### No Retaliation

No officers, event directors, members acting on behalf of RRR, and volunteers, who in good faith report a violation of the law, shall suffer harassment, retaliation, or adverse employment consequence even if the report is mistaken, or against any employee or individual who assists in the investigation of a reported violation. An officer, event director, member acting on behalf of RRR, or volunteer who retaliates against someone who has reported a violation of the law in good faith is subject to disciplinary action up to and including removal from the organization. This Whistleblower Policy is intended to encourage and enable employees and others to raise concerns about illegal activity within the organization.

### Reporting Alleged Violations

Officers, event directors, members acting on behalf of RRR, and volunteers are expected to report suspected violations of RRR policies or illegal activities to the RRR President or Past Officer in writing. If either is alleged to be in violation of the law, then the report should be submitted to the Executive Board Member at Large. A submitted report will be investigated by a Committee comprised of the following board members, Past Officer, Secretary, and Member at Large with assistance from the President. If legal council is needed, it will be engaged at that time by the President. The Committee is authorized to retain legal council to address a complaint if it involves the President. A report of findings will be submitted to the Board with recommendations for action.

Suspected illegal activity or suspected violations of RRR bylaws or policies may be submitted on a confidential basis by the complainant. Reports will be kept confidential to the extent possible except to the extent necessary 1) to conduct a complete and fair investigation, or 2) for review of RRR operations by the RRR Audit Committee, RRR's independent public auditor and the RRR's legal counsel.

For a proper investigation to be conducted as much information as possible should be reported and it should clearly outline the perceived illegal act or violation of RRR bylaws or policies. The report should outline a specific incident with dates and names of individual(s) involved. This report should be supplied in writing, in order to conduct a sufficient investigation.

### Accounting and Auditing Matters

The Audit Committee shall address all reported concerns or complaints regarding RRR accounting practices, internal controls, or auditing. The Chair of the Audit Committee shall immediately report to

the RRR President if any illegal accounting practices are reported by the independent auditors and will work with the Audit Committee until the matter is resolved.

#### Acting in Good Faith

Anyone filing a complaint concerning suspected illegal activity or a violation of RRR bylaws or policies must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of the law or RRR bylaws or policies. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as malfeasance and addressed accordingly.

#### Handling of Reported Violations

The appropriate person as outlined in this policy to receive an official complaint will notify the complainant and acknowledge receipt of the reported within 5 business days. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation. Outside legal counsel may be consulted as needed or warranted by the complaint.
